EGC PRESS RELEASE

March 13th, 2020

Elections for the 2020 Vice President University Affairs and Vice President External Affairs took place at the 2020 Annual General Meeting of Council on March 8th. The ballot used was an **Instant Runoff Preferential Ballot**. Results of these elections are listed on Page 2 of this press release. The EGC recognizes that the results of the VP UA elections are very close. In order to ensure the accuracy of these results, ballots were recounted three times, each time producing the same results. Scrutineers representing each VP UA candidate were also present to witness the counting and subsequent recounting.
